

brilliance across the board.

When your promotion calls for mass messaging in the great outdoors, our corrugated cardboard sets the bar for versatility, great color, and toughness. Cut it, staple it, punch grommet holes in it for hanging. Takes a beating from rain, sun, and human handling before showing any sign of aging.

TOP CHOICE FOR campaign yard signs, race day mile markers, event frame signs, stadium trash and recycling bins, truss column tower signage.

top product benefits

- + Water and weatherproof for outdoor campaigns
- + Cost-effective for high-volume orders
- + Lightweight and versatile for mass messaging
