

GET YOUR CUSTOMERS OFF THE FENCE.

Take the message surrounding your jobsite from “Please, pardon our dust” to “Get ready for this.”

Fences transformed with SiteScrim™ deliver crowd stopping branding real estate that generates hype, gets the public rooting for your development project while keeping prying eyes and unauthorized personnel out.

TOP PRODUCT BENEFITS

- 1 Not only perfect for perking public interest at construction sites, SiteScrim™ spruces up chain link fences at events, stadiums, athletic fields, festivals, and concerts.
- 2 It's wind-permeable, lightweight, and easy to setup and store.
- 3 Build some buzz and promote your business with lifelike images, vibrant digital graphics, and colorful logos that literally stop crowds.
