

VISUAL DESIGN PORTFOLIO 2022

ONE VENDOR. COUNTLESS POSSIBILITIES.

Have a project or event in the works?

I'd like to invite you to consider Britten, Inc. From state-of-the art printing to cutting-edge casework, shipping container fabrication, 3D foam sculpting, metal, and millwork—you get more than single-source simply when partnering with us.

You get a complete team of expert printers, designers, wood/metal workers, engineers, and architects with a 37-year track record of success and passion for saying, **Yes!**, to projects others are afraid to touch. Branded environments. Event activations. Innovative ad and promotion solutions that get your clients noticed.

This custom-tailored portfolio shows just a snapshot of our capabilities and manufacturing horsepower. But I hope these pages inspire you to look us up, maybe give our team a shot at helping transform your next idea into a reality.

Sincerely,

Paul Britten,
President & Founder
