

## THANK YOU FOR THE PURCHASE OF YOUR NEW FOAM 3D SCULPTURE.

- Britten foam sculptures are generally designed and built for photo opportunities and limited fan interactions.
- Though your product is durable, it is not indestructible. Please handle with care while transporting and during use.

## PLEASE BE AWARE OF THE FOLLOWING:

- Do not stand /sit on any part of your structure unless it was specifically designed for that purpose.
- Foam sculptures are outdoor friendly but caution should always be used during windy or extreme weather conditions to limit the possibility of damage.
- The use of chemicals may damage the paint finish. Clean with warm water and mild dish detergent. In the event that something stronger is required test in an inconspicuous location.
- A touch up kit is included with your sculpture for use on small scratches. If you should experience damage to the sculpture, please contact Britten for a repair quote, or tips on how to repair it.
- The crate that your sculpture arrived in should be reused for storage purposes to keep it protected whenever possible.

**WE HOPE YOU ENJOY YOUR SCULPTURE AS MUCH AS WE DID MAKING IT!**
