BIGGER. BOLDER. BRANDING SOLUTIONS. / BRITTENINC.COM / 855.763.8203

ONE VENDOR. COUNTLESS POSSIBILITIES.

Have a project in the works? I'd like to invite you to consider Britten, Inc. as your design and fabrication partner.

From traditional fabrication like millwork and metal fabrication to unique capabilities like 3D printing/sculpting, building facades, and shipping container development — Britten can tackle projects large, small, simple or custom. When working with Britten, you get a complete team of expert printers, designers, fabricators, engineers, and architects with a 40+ year track record of success and passion for saying, **Yes!** to projects others are afraid to touch.

I hope these pages inspire you to look us up, maybe give our team a shot at helping transform your next idea into a reality.

Sincerely,

Paul Britten,
President & Founder
