

SIMPLY BUILT TO STAND AND DELIVER

A simple and effective promotional tool for informing and directing customers—the time-tested a-frame or sandwich board, is never out of place. Great for wayfinding, tradeshow displays, and outdoor applications. Freestanding or fill it with water or sand to add extra weight and rigidity in high-traffic or windy areas.

TOP PRODUCT BENEFITS

- + All plastic sign frame, holds two signs: 36" h x 24" w
- + Recessed sign area helps to protect sign faces
- + Sign face can receive vinyl sheeting (with surface preparation), metal, corrugated plastic, or acrylic signs. Can be internally weighted with water or sand (5 lbs per side recommended)
- + Molded-in handle for easy portability
- + Stacking lugs keep stacked units from sliding and damaging sign faces

STANDARD

Attach signs with screws, well-nuts & bolts, Velcro®, tape, or other adhesives.

DELUXE

Quick-Change™ feature, signs easily slide in and out. No tape, bolts, screws or Velcro® needed.

*Please confirm inventory level
