

# AdMesh™

INNOVATIVE, BLOW-THROUGH MESH FOR LARGE-FORMAT PRINTS

## ADDITIONAL INFORMATION

### TRANSFORM INFRASTRUCTURE INTO BRANDED ADVERTISING SPACES.

- Wind-permeable, digitally printed scrim
- Blow-through banner fabric
- Perfect for large-format banner displays
- Minimizes wrinkles
- Fabric is available in 70% mesh (ideal for building wraps and towers) and 15% mesh, also available for the especially durable scrim for fencing

## USE ADMESH FOR:

- Building Wraps
- Speaker Towers
- Fencing (construction, crowd-control)
- Stages
- Handrails
- Tents
