

BannerDrop™

REMOTE-CONTROLLED BANNER HOIST SYSTEM

BannerDrop is a revolutionary, remote-controlled banner hoist system that makes installing large-format banners easier than ever. Powered by a sleek, unobtrusive motor system mounted near the ceiling, BannerDrop accommodates a wide variety of hanging banners and displays.

TOP PRODUCT BENEFITS

- 1 **Incredibly strong wire cable** with breaking strength of 480 lbs. BannerDrop can lift up to 35 lbs (standard) and 140 lbs (heavy duty).
- 2 **Fill nearly any space** with a lift distance of 60' (maximum height).
- 3 Easy to swap out graphics with a 4-channel remote for a **fresh look when you want it.**
- 4 Powered with a 120 VAC @ 60 Hz tubular electric or solar-powered motor.

Powered by a discreet cabled system mounted in the ceiling

Available in custom sizes to fit any space

BANNERDROP | COMPONENTS

BANNERDROP | ARTWORK TEMPLATES

Banners provided by Britten Inc specifically for BannerDrop units are referred to as SkyBanners. Upon ordering BannerDrop, appropriate SkyBanner artwork templates will be provided. Standard SkyBanner sizes are: 5'h x 9'w, 8'h x 14'w and 16'h x 14'w. Call Britten for more information.

BANNERDROP | WARRANTY

Britten Services, Inc. offers a conditional 1-year warranty against product design and manufacturing assuming proper installation and proper operational conditions. During the warranty period, Britten Services, Inc. will repair or replace the unit. The warranty only applies to the original purchaser and is in lieu of all other warranties expressed or implied for a period of one year from the date of purchase.

Britten Inc, Inc. will not warranty the following: LABOR associated with the removal or installation of the unit; DAMAGE caused by misuse, neglect abuse, accidents, alterations, corrosive environments, and any other abnormal service conditions.

Claims against the warranty must include: pictures of the installation; written description of the problem; and return material authorization issues by Britten Services, Inc.
